

We appreciate you!

Thanks to the generosity of alumni, parents and friends like you, Brown RISD Hillel is able to engage students in vibrant and diverse expressions of Jewish life. Students connect with Jewish life and develop meaningful relationships through learning fellowships, Israel engagement, social activism, minyanim, the arts and more. BRH is a platform for student leadership, innovation, and creativity.

BRH receives no direct financial support from the institutions we serve. We rely almost exclusively on the generosity of our community to fund our initiatives.

Your support has been vital to sustaining these important connections and opportunities for our students. We are incredibly grateful!
